(iv) if the Borrower abandons its undertaking or ceases or threatens to cease to carry on Business or threatens to commit any act of bankruptcy.

Provided that it shall not be an Event of Default if an inability to make any payment required pursuant to this Agreement is a result of an error incurred by a Bitcoin Exchange Operator. In the event that the parties are unable to agree on an alternative payment method, either Party may refer the matter to arbitration by providing the other Party with a notice to proceed to arbitrate ("Notice of Arbitration"). Any matter in dispute that is submitted for arbitration shall be heard by a single arbitrator chosen by the Parties. The cost of the arbitration, excluding a Party's legal fees and disbursements shall, unless otherwise ordered by the arbitrator or the panel, be borne equally by the Parties. The Lender agrees that the Borrower may, at its discretion, include such other creditors of the Borrower as may be affected by the Bitcoin Exchange Operator error in the foregoing arbitration.
